*EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 600. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant. * CITE NO.: Those application(s) which are marked with an single asterisk (*) next to the Cite No. are not supplied (under 37 CFR 1.98(a)(2)(II)) because that application was filed after June 30, 2003 or is available in the IPW. Applicant's figure caption designation number (optional). See also Indexes of USPTO Patent Documents at www.uspto.gov/patft/indexing.html. *CITE DATE: Enter year that first issued U.S. patent was granted. If there is more than one such date, enter the earliest date. The indicia of the year of the filing of the Empor mark precede the serial number of the patent document. Kind of document by the appropriate symbols as indicated on the document under WIPO Standard ST.16 is possible. *Applicant to place a check mark here if English language Translation is attached.
